Survival Living — 48 Types Crosswalk	
What this is	Every type of survival living named in your ChatGPT thread "Ideas on survival living" (Oct 13, 2025, 395 messages), enumerated and cross-referenced to the practical files and builds you already own.
The count	48 types: 3 founding modes + 20 philosophies (4 families) + 25 historical strategies (5 families). Nothing added, nothing renamed.
Definitions	One line each, condensed from the thread's own descriptions of each type.
Crosswalk column	The closest practical assets already in your files for each type: the 800 survival-priority builds in DIY_Inventions (PARETO PRIORITY tiers), DIY_Detectors_Devices_Methods_8000, your survival CSVs (SURVIVAL_WILDLIFE_FUL
Status	Complete enumeration. The philosophies are now filed; the practical layer under them was already built.

#	Layer	Family	Type	What it means	Your practical assets under it
1	Founding mode	—	Modern Great Depression Living	Thrift, repair, stockpiling and making-do as a permanent way of life, not a temporary emergency mode.	Resilience Core spec + Continuity register; SURVIVAL_WILDLIFE_FULL.csv; DIY_Inventions PARETO survival tiers (800 builds)
2	Founding mode	—	Vigilant Like Endemic Living	Living as if disruption is a permanent background condition: watchful, stocked, and practiced, the way endemic disease is lived with rather than awaited.	DIY_Detectors_Devices_Methods_8000 (8,000 detection builds); Water_Safety.csv
3	Founding mode	—	Deploring the Retail Markets	Refusing dependence on retail supply chains and consumer norms; sourcing locally, directly, and durably instead.	Rare ethical products store concept (Dorset Park); twelve_week_schedule.csv
4	Philosophy	Economic & Survival	Post-Affordability Living	Organizing life so that rising prices lose their power over you.	Consequences_Harsh_Truths (priced cost of lack); $45 plan
5	Philosophy	Economic & Survival	Invisible Economy Citizenship	Participating in barter, local, and informal economies that do not depend on official markets.	Hyper-local sourcing in the store concept; coaches/resources files
6	Philosophy	Economic & Survival	Deflationary Mindset	Expecting less, needing less, and treating falling consumption as strength.	Wishlist discipline (borrow-first at TPL); $35-budget pattern
7	Philosophy	Economic & Survival	The Hyper-Local Resilience Model	Household and neighbourhood as the unit of survival: local food, local skills, local people.	Resilience Core (first customer: own household); Continuity register — hire local, buy local
8	Philosophy	Psychological & Strategic	Perpetual Readiness Psychology	A calm, standing state of preparedness rather than panic cycles.	Detector sets; household continuity routines
9	Philosophy	Psychological & Strategic	Endemic Vigilance Doctrine	The doctrine form of vigilant living: continuous low-level watchfulness as policy.	DIY_Detectors_Devices_Methods_8000; night light-event logger builds
10	Philosophy	Psychological & Strategic	Emotional Minimalism	Few emotional dependencies, low drama exposure, protected attention.	CJDL system trackers; Epic Life Game quest structure
11	Philosophy	Psychological & Strategic	Strategic Humility	Understating capability while building it — the 0th-percentile presentation.	Personal profile documents; grandmaster-plan threads
12	Philosophy	Psychological & Strategic	Psychological Fireproofing	Pre-built mental structures so crises find no fuel.	Amygdala regulation toolkit (from your archive); Consequences_Harsh_Truths as inoculation reading
13	Philosophy	Social & Cultural	Post-Retail Consciousness	Identity and status detached from buying.	Wishlist as catalogue-of-intent discipline; TPL holds program
14	Philosophy	Social & Cultural	Cultural Detox	Deliberate removal of corrosive norms, media, and habits from daily life.	Consequences_Harsh_Truths (43 bad habits & vices priced)
15	Philosophy	Social & Cultural	Slow Power Strategy	Influence accumulated quietly over long periods.	Decadal plans (Epic Life Game milestones to 2036)
16	Philosophy	Social & Cultural	Silent Confidence Creed	Competence without announcement.	LinkedIn/work record kept factual; systems over self-promotion
17	Philosophy	Social & Cultural	Civilization-within-a-Civilization	Building a complete, self-sustaining order inside the existing one.	Personal City framework; CJDL Training (your oldest system)
18	Philosophy	Future-Oriented & Evolutionary	Century Living Philosophy	Planning on a 100-year horizon.	Personal City (100-year city book); Futuristic Strategy Codex
19	Philosophy	Future-Oriented & Evolutionary	Synthetic Stoicism	Classical endurance ethics rebuilt with modern tools and data.	CJDL trackers; HEXACO-informed self-audits
20	Philosophy	Future-Oriented & Evolutionary	Digital Monasticism	Technology used under rule: tools serve the order, never the reverse.	Threads archive as research library; saved-collections organization
21	Philosophy	Future-Oriented & Evolutionary	Multi-Advantage Strategy	Choosing actions that pay off on several fronts at once.	Diamond Matrix (wishlist Diamond Density); multi-benefit builds across all workbooks
22	Philosophy	Future-Oriented & Evolutionary	Autarkic Feminism	Self-sufficiency as independence: a household and life that need no rescuer.	Resilience Core; detector/defensive builds you control
23	Philosophy	Future-Oriented & Evolutionary	Temporal Discipline	Time treated as the scarcest strategic resource.	twelve_week_schedule.csv; quest-system scheduling
24	Historical strategy	Survival & Self-Preservation	The Spartan Discipline (Laconic Strategy)	Few needs, few words, total endurance.	Minimal-kit survival builds in DIY_Inventions PARETO survival tiers (800 builds)
25	Historical strategy	Survival & Self-Preservation	The Roman Stoic Model	Endurance through reason: Marcus Aurelius, Epictetus, Seneca.	Meditations (#15 of your 48-book program)
26	Historical strategy	Survival & Self-Preservation	The Samurai Code (Bushidō)	Duty, readiness, and composure under threat.	Strategy shelf of the 48-book program
27	Historical strategy	Survival & Self-Preservation	The Monastic Order System	Rule-based communal self-sufficiency (Christian, Buddhist, Sufi, Taoist).	Chores System (from your library files); household routines
28	Historical strategy	Survival & Self-Preservation	The Roman Legion Mindset	Logistics, engineering, and unit discipline as survival.	Continuity register (roles, sequences, registers)
29	Historical strategy	Survival & Self-Preservation	The Inuit Survival Ethic	Flourishing in the harshest environment by exact local knowledge.	SURVIVAL_WILDLIFE_FULL.csv; Wildlife Strategy notes (your library)

#	Layer	Family	Type	What it means	Your practical assets under it
30	Historical strategy	Mastery & Influence	The Renaissance Polymath Model	Many disciplines mastered in one life — Leonardo da Vinci.	Gifted-generalist training program (Alfredo thread); Personal City districts
31	Historical strategy	Mastery & Influence	The Machiavellian Pragmatism	Clear-eyed power realism, studied defensively.	The Prince (on your wishlist, $28 HC); dark-psychology study shelf
32	Historical strategy	Mastery & Influence	The Socratic Questioning	Truth by relentless questioning.	Your audit method across all files (recount, verify, reconcile)
33	Historical strategy	Mastery & Influence	The Athenian Paideia	Education as the formation of the whole citizen.	Grade 5 Araling Panlipunan curriculum; education-as-a-right plank
34	Historical strategy	Mastery & Influence	The Jesuit Method	Disciplined study, casuistry, and long formation.	Excel trio + gifted training curriculum
35	Historical strategy	Wisdom & Inner Power	The Taoist Way	Yielding, balance, and alignment with how things move (Lao Tzu, Zhuangzi).	Owl conflict-resolution style (collaborating)
36	Historical strategy	Wisdom & Inner Power	The Buddhist Middle Path	Neither indulgence nor denial: the regulated centre.	Epic Life Game adjustable quest design
37	Historical strategy	Wisdom & Inner Power	The Stoic "Memento Mori"	Mortality as the focusing instrument.	Consequences_Harsh_Truths (worst-case accounting)
38	Historical strategy	Wisdom & Inner Power	The Indigenous Circle Ethic	Reciprocity and the whole community in every decision.	Philippines contribution projects; community district of the Personal City
39	Historical strategy	Wisdom & Inner Power	The Hermetic Principle	As above, so below: pattern correspondence across scales (Egyptian–Greek wisdom).	Diamond Matrix; Personal City fractal design
40	Historical strategy	Civilization & Legacy	The Athenian Democracy Principle	The citizen as participant, not subject.	Continuity register governance (decency, education, hope)
41	Historical strategy	Civilization & Legacy	The Roman Law Ethic	Order through written, predictable rules.	Your written-agreement habit (rates, hours, duties in writing)
42	Historical strategy	Civilization & Legacy	The Chinese Dynastic Cycle Awareness	Civilizations rise and decay in cycles; plan for the turn.	Futuristic Strategy Codex; Risks to the Philippines analysis
43	Historical strategy	Civilization & Legacy	The Monastic Preservation Model	Copying and keeping knowledge through a dark age (Dark Ages Europe).	Your three-route archive (phone, ChatGPT, Muse) with reconciled counts
44	Historical strategy	Long-Term Thinking	The Confucian Lifelong Duty	A life ordered by role, duty, and lifelong cultivation.	CJDL Training (running since your youth)
45	Historical strategy	Long-Term Thinking	The Venetian Merchant Strategy	Trade networks, patience, and information advantage.	Rare ethical products store concept; jewellery segment research
46	Historical strategy	Long-Term Thinking	The Ottoman Patience	Strategic waiting at imperial scale.	Version-freeze rule; long-queue TPL holds strategy
47	Historical strategy	Long-Term Thinking	The Swiss Neutrality Doctrine	Armed, prepared, and unentangled.	Defensive detector posture (record, do not engage)
48	Historical strategy	Long-Term Thinking	The Japanese Wabi-Sabi Aesthetic	Beauty and sufficiency in imperfection and impermanence.	Repair-and-keep household practice (Modern Great Depression Living)
